

## STPS03 ANNUAL RETURN FORM

STPS03 should be completed for all members of the scheme who are **active** at 31 March. The STPS03 annual return form should be completed at the end of each year and include the member's service, contributions paid, salary and pensionable salary for the period from 1 April to 31 March.

Where a member has left and re-joined the scheme mid-year, we require form STPS02 up to the point of leaving, and STPS01 for re-joining the scheme. In this circumstance we only require a **part year** annual return from the date of re-joining the scheme. The STPS02 will provide the financial information for the start of the year.

Detailed instructions about how to complete each field are included in this document. Hotspots are available on EDM to guide you through manual entry. It is important to complete the date boxes accurately to allow us to upload the forms to the member's record.

Please note that multiple part-time contracts are now treated separately. Each contract must be identifiable by a unique Pay Reference Number. The number must be a minimum of 10 characters and a maximum of 15. The first 10 characters should be unique. See example below:

Contract 1: Pay Reference = ABCDE1234500000

Contract 2: Pay Reference = SMITH061984

The member now has 2 different contracts on their pension record.
